PRESIDENTS MESSAGE

There's something special about a day on the course with girlfriends. The fresh air, the challenge of the game, and the hilarious moments that unfold between shots make it more than just a sport- it's an experience. Whether you're sinking putts like a pro or struggling to get out of the bunker, one thing is for sure: laughter is always par for the course.

For many women golf is about the stories, the camaraderie and the shared moments that make each round unforgettable. A golf outing is always filled with inside jokes, good natured teasing and lots of encouragement.

The thing about playing with your girls is there is no need to impress anyone and we can all celebrate each other's wins. Whether you crush your drive or completely whiff, your friends will be there to cheer you on and make sure you don't take yourself too seriously.

A round of golf is like a retreat - just a few hours where you can forget about work, stress and responsibilities. There's something truly special about the way the golf course brings women together and as the saying goes, "A bad day on the course always beats a good day at work!"

Birdies, Pars and Friends!

VICE PRESIDENT MESSAGE

Hello Ladies!

The Doubles Match Play tournament is continuing to progress and we're down to four remaining teams—be sure to check out the bracket in the lady's locker room.

It's been a month of great weather and it's been lovely to be able to connect with friends through golf via the many options that the WGA offers-- tournaments, Wednesday league, match play, the range and the other days of the week that we connect and play together.

If you ever want to play more or have questions and are not sure where to start, please don't hesitate to reach out to myself or any other member via text or email (can be found on the member section of the website), Facebook or through the Pro Shop as we would love to hear and play with each of you!

Hit 'em straight and far!

Heather (920-470-7296 hlmcleish@gmail.com)

MARCH MEMBER SPOTLIGHT!

Christine Maestri & Mike Festing-Smith

We are sad to announce that another long term member will be leaving us soon. Christine and her husband Mike will be moving to Houston to be closer to family. Their new home is almost completed and their new golf club awaits.

We hate to see you leave but we are thankful for so many wonderful memories!

Best wishes & happiness! We will keep in touch!!

“Pat Camarata had hip surgery, an e-card was sent. Please let me know if anyone in the WGA had surgery/illness or experienced a loss. Thank You.”

IMPORTANCE OF MARKING YOUR BALL ON THE GREEN

Once you're on the green there are a few things to remember. First mark your ball IMMEDIATELY, before any player is ready to putt. USGA Rule 11.1a and 11.1b state: If a player's ball in motion after a stroke on the putting green hits another ball at rest on the putting green, the player who made the stroke incurs a two-stroke penalty in stroke play. Both balls must be on the green. In match play, there is no penalty-the ball is played as it lies. (Most of the regular play days for the HGWGA are stroke play, regular golf.) This rule does not apply to a stroke taken from off the green that may hit a ball on the green. If the ball is not marked before it is your turn to putt, then you should ask the other player to please mark their ball.

KODAK MOMENTS

*Five brave souls!
Glad this weather is finally over!*

Tibbie Farnsworth, Heather McLeish, Gerry Hayes, Peggy Jennings, Kelly Dumaresque

It's been awhile since this group has played together. Fun day ladies!

Karen Neidhardt, Marsha Magol, Jutta Frankfurter, Patti Beck

Winning is fun! Losing is not so much fun. In life, and in golf, we experience both winning and losing situations. How we handle those experiences reflects a lot about our character. Over the years, Greg Norman has been criticized for several major golf losses. However, he is also remembered for his grace, class and dignity on how he handled those defeats. Greg states that a "sore loser" dishonors the great game and the values the game stands for.

Honor the game and its values. Work to be gracious in defeat. It defines a part of you and your love for the game.

May the course be with you.

"YOU DID WHAT?"

On February 5th, this threesome all had pars on hole #7. Way to go ladies!

Heather McLeish, Mary Jones, Gerry Hayes

Never Give Up!

Match play partners Jill Wickliffe & Kathy Gould made it to the "A" bracket final, but Jill had to back out due to an injury. Kathy never gave up and took on Tibbie & Nikki on her own, with Jill driving the cart and cheering her on. They lost this match, but not without a good fight. Kathy took the match all the way to the 17th hole which is pretty darn incredible. Way to go girl!!! Great team work ladies!!

Breaking 90!

Kelly Dumaresque was on fire the 1st day of the Cup Challenge. She broke 90 for the first time shooting an impressive 84! Congratulations Kelly!
