PRESIDENTS MESSAGE

The WGA is a community built on camaraderie, competition and a shared love of the game. But this league does not run itself. The success of the WGA depends entirely on the dedication of volunteers who step up to organize events, manage operations and ensure that things run smoothly.

Without board members, committee members and tournament chairs, the WGA cannot function at its best. Every tournament you play in, every event you enjoy and every smooth season you experience happens because someone has stepped up and volunteered their time to make that happen. Without these people stepping in, the league struggles to thrive.

We are calling on new faces to get involved. Whether you have experience or this is new to you, we are here to help and guide you through it. Being a part of the WGA leadership is a rewarding way to give back, meet new people and help shape the future of our league.

If we don't have volunteers, events don't happen. If we don't have leaders, the league doesn't grow. If you are interested in volunteering in any capacity, reach out to a board member. Let's keep the WGA strong together

Birdies, Pars and Friends!

Kelly Dumaresque

VICE PRESIDENT MESSAGE

Hello Ladies!

It's hard to believe that the season is winding down so quickly! There has been some great golf played together, some new faces have joined our group, and I am looking forward to finishing the season strong.

The doubles match play tournament has continued to progress, and we are now down to the last 3 teams—so keep an eye out for the updated bracket in the ladies locker room.

I am looking forward to playing some games on Wednesdays with as many of you as possible before peeps start heading north!

Hit 'em straight and far!

Heather McLeish

APRIL MEMBER SPOTLIGHT!

Amanda Chiplock

Family: Ryan Chiplock (husband), Abby (pictured here), Lando and Sergio (our 4-year-old kittens).

From: New York State

Hobbies: Golf!

Careers: Program Manager at LinkedIn (Ryan), Director of Curriculum and Learning Strategy at AACSB (Amanda).

Goals: Keep learning and keep moving! Always looking for opportunities to strengthen both mind and body, especially in golf!

The WGA wants to recognize your golf achievement! A reminder to please let me know the first time you post a score in the 90's, 80's or 70's.

Fairways and greens

Sandra Smith

Ringers and Awards Chair

Ginger Kranick - 11

Nancy Sinkler - 12

Sheri Finn - 19

Beth Little - 23

TEEING THE BALL FROM THE TEE BOX

The teeing area is where you start each hole and is one of the five defined areas of the course. It has a defined size and shape that is a two club-length deep rectangle measured from the tee-markers you are playing your round from.

You can stand outside the teeing area as long so your ball is within the teeing area. Before you play, you are not allowed to move the tee-markers. When playing from the teeing area, you can tee your ball or play it from the ground, use a borrowed or abandoned tee (even if it is broken), and re-tee your ball if it falls off the tee before you play it.

If you play a stroke from outside the teeing area, the Rules are different depending on whether you are playing match play or stroke play. In match play, your opponent has the option to cancel your stroke. If they do so, you need to play again from within the teeing area without penalty. If your opponent doesn't cancel your stroke, you will continue to play with the ball you played from outside the teeing area (also without penalty). In stroke play, you are required to correct the mistake by playing again from inside the teeing area, and in this case, you will get a two-stroke penalty.

Rules and Handicap Committee

Mary Hughes

WE ARE NEVER ALONE

Our Women's Golf Association consists of bylaws and standing rules. The bylaws are the fundamental and core rules governing our ladies organization. The bylaws are the primary governing document, and they establish the structure, power and operations of our organization. They take precedence over the standing rules. Standing rules are the more specific, administrative procedures that supplement and further define the bylaws. The standing rules can be changed more easily than the bylaws. To learn more about the governing documents of our organization, go to our HG-WGA website, and learn how we are organized and governed.

May the course be with you.

Jill Wickliffe
Membership Chair

RAIN RAIN GO AWAY

Twilight league has started! We were unfortunately rained out on our first day. It is a beautiful time of day to play 9 holes 5:00-7:00. The course is very quiet and there is a slight breeze during the late afternoon. We met a great new group of players.
