## PRESIDENTS MESSAGE

It seems like yesterday that we emailed our 1st newsletter and now we are sending our last of the season. I think back to all of our past tournaments and events and I truly had a blast at them all! Thank you to all of our tournament committees and to Kelly for organizing our Wednesday events. The time has come for me to step down as your President and I am truly honored to have served this role. It has been a memorable journey and I am proud of the changes that have been made. No changes can be made without the help of our board members, so I thank all of you for your help and support! It takes a team!!

A huge thank you to Kelly for being an incredible, hard working VP this season. Kelly focuses on golf, fun and friends and I truly enjoyed working with her. Fresh blood brings fresh ideas, so I'm excited to see more changes coming our way. How things have been done in the past may change and that's ok. Change is a good thing!

Positive vibes bring positive people, so thank you to those who continue to spread the word. Our WGA is filled with incredible women. Let's continue to support each other, grow, laugh, have fun and enjoy every moment with our friends on the greens.

So many wonderful memories! Thank you ladies!!!

*Patti Beck  
President*

## 15 ETIQUETTE RULES FOR BEGINNERS

~ GOLFNOW

### 9. Keep up the pace – limit practice swings

Keeping things moving is a common theme to good golf etiquette, so here are some more guidelines: Don't take excessive practice swings. One or two should be plenty. And be ready to hit or putt when it's your turn. Try to gather as much information as you can while other players are hitting their shots, i.e., yardages, how a putt breaks, wind, etc.

### 10. Record your scores on the next tee box

Never do this by the green you just played. You should clear the area as soon as possible so the group behind you can hit their approach shots. And there will be plenty of time on the next tee to record scores while your fellow competitors are hitting their tee shots.

In a few days we'll play our End of Season Tournament. How can that be? It seems just like yesterday it was September and we were playing our season opener. Yes! Time does fly! It's been a wonderful year! A grateful thank you to all the ladies who volunteered their time, their talents and their hearts to make this season the best one yet! The saying goes "you've come a long way baby!". And, yes we have! We've accomplished a lot! But remember - much done, more to do.

May the course be with you.
