PRESIDENTS MESSAGE

Ladies, I am thrilled to welcome each of you to the start of another exciting season in the WGA! As we step onto the fairways once again, it's a moment to reflect on the wonderful community we've built here- one that celebrates not only our love of the game but also the friendships that come with it.

This season not only represents a return to the greens, it's a continuation of the remarkable growth and progress we've witnessed in women's golf. Over the years, women's participation in the sport has soared, shattering stereotypes and opening doors for future generations. One look on the driving range on any given Saturday at Hunter's Green, and you will see many young girls learning and excelling in the game. As we lace up our shoes and tee up for another round we are part of the movement that is changing the face of golf.

Let's embrace this season with open hearts and competitive spirits, ready to cheer each other on, face new challenges, and make incredible memories along the way. Wishing you all the best for a successful and joyful season ahead!

Birdies, Pars and Friends!

VICE PRESIDENT'S MESSAGE

Hello Ladies!

I'm sad to have missed the season opener—the pics show that a fun time was had by all the Barbies. Congrats to Tibbie F, Pat L, Jill W and Teresa W for bringing in the low score, Mary H who chipped her way to Barbie's heart and to Jill W who rocked Weird Barbie! As a reminder, our M/G tourney is almost here so sign up ASAP to be a part of the fun! Next, we want to start a season long Doubles Match Play tourney. We look to start in November & go thru the end of season depending on how many teams sign up. You choose a partner, and the pro shop will put together a bracket for the matchups. (Think March Madness.) There will be approximately 3 weeks in each bracket to schedule & play your match. Each player plays their own ball. The best net score from each pair goes up against the best net score of the other pair. One point for winning each hole & if the hole is tied it is .5 points for each team. It takes 9.5 points win. It is a very fun way to learn & play golf as each hole counts individually & then can be forgotten vs a blow-up hole ruining your overall score. I encourage everyone to pair up & give it a try! If you have questions, talk to me, a board member or Paul. Look for further info & sign-ups coming soon!

Hit 'em straight and far!

OCTOBER MEMBER SPOTLIGHT!

Dana Davis

Family: My husband Dave and I moved to Wesley Chapel with my twin boys 2 years ago. They just started high school this year. I'm super excited because one made the golf team for Wesley Chapel high and one made the golf team for the Special Olympics. I have two grown children in Michigan and two bonus children with three grandkids also living in Michigan.

From : Metro Detroit area

Hobbies: Golf, pickle ball, jogging, boating, and traveling

Career : Dentist for 30 years

Goals: to get a hole-in-one! Improve my mental golf game and lower my handicap. Get my husband Dave Westlake more consistent in my game and beat my 83 year-old mother in golf. Lol

ADDITIONAL LEAGUES

(Details on WGA website)

9 - Hole: Rhonda Lyons - wga9holeleague@gmail.com

Saturday: Pat Lofaro - wgasaturdayleague@gmail.com

CLEAN YOUR GRIPS

Mix a little dish soap in a shallow bucket of warm water. DO NOT SOAK THE GRIPS. Use a toothbrush to scrub the grip and then rinse it off. Squeeze a clean towel down the grip to help dry and then let it sit on a towel or in the sun to completely dry.

Give it a try, I bet you feel the difference.

HAPPY OCTOBER BIRTHDAY!

Terri Nazworth - 20th
Trisha Blake - 23rd

ACCOMPLISHMENTS

Whether it's your 1st par, birdie, eagle or hole-in-one, breaking 100, 90 or 80 or first time hitting out of a tree, we want to celebrate all of your accomplishments.

Please email Patti (pbeck8167@gmail.com) with your exciting news.

Please let me know if anyone needs a card from the WGA.

Thank you for your help!

TEE TIME

When you think about it, golf is really an amazing game, and an example for how we can live our lives. At the end of the day golfers don't remember the many horrible shots they made. Instead, they focus on their one great shot, and this memory inspires them to come back again and again. Golf is addicting.

Compare this thought process to how many of us approach life and work. Instead of thinking about all those things that went wrong during the day, focus on the one good thing that happened that day.

So, think like a golfer, remember that one great conversation, that one act of kindness, that one special moment that made you smile. And just like being addicted to golf, you can be addicted to life.

May the course be with you.

“WE PLAY, WE LAUGH, WE IMPROVE”

Our 9 HOLE Wednesday morning league has not seen much of our course this summer due to all of the rain. Several of our snowbirds have not yet returned. We are all looking forward to our season opener, “Barbie” and getting back to playing with our friends on a dry course.

I recently learned that Albert Einstein said “Golf was too complicated!” You have to laugh at that and maybe agree.

Please join us for a short 9 holes on Wednesday mornings to practice and improve your game. Tee time 10:30.
